Enjoy a great weekend of learning, food, and fellowship. This program has filled three years in a row, so register early. Registration is $165, this includes your field guide, pocket mask, all your certs (4 of them), Food (Saturday Morning to Sunday Lunch; do eat dinner before showing up Friday), Male/Female bunk house lodging (camping option). Training starts Friday (4/21/2017) at 7pm EST (Indiana time) with CPR, AED and O_2 certs.

NASCAR drivers don't train in golf carts, and the Colts and Bears don't practice flag football...
This world class hands-on "Train Like it's Real" program creates muscle memory for the day you are called to act.
This class will adhere to the new BSA National WFA Guidelines.

QUALITY WORTH A 300 MILE DRIVE!!!

Join Scouters from five states around the Midwest for this awesome training!

Nice Job Class of 2009, 2010 and 2011 each have successfully used their training to save a Life, Are you Prepared?
